**Old Business:**

- a) Reservoir Extension Update:** Secretary/Treasurer spoke with Gracy Goodwin with Upper Ark on the status of the feasibility study grant. No action was taken, as we will wait until President Bolkema returns to meet with Terry Scanga and Gracy Goodwin. Vice President Poyner stated he would like to be able to add to our 344 af of storage, otherwise it would not be worth it to pursue the enlargement of the dam. Luke Javernick with River Science is scheduled to conduct the land survey, but ran across some issues. Upper Ark and DeWeese will work together to get notifications out to neighboring landowners around the lake.
- b) Gauging station/telemetry system:** This topic is on hold and we will meet with Upper Ark at a later date to discuss.

**New Business:**

- a) Secretary/Treasurer Business Items:** Secretary/Treasurer Ortega discussed business items and issues, and provided an update on receivables. One Shareholder redeemed, and updated information was provided to the Superintendents.
- b) Major Ditch Repairs:**  
The Superintendents provided a list of completed repairs, and Secretary/Treasurer Ortega will email to Shareholders and post to the website.

- c) **Ditch Superintendent Update:** Superintendents Bourgeois and Bachoroski provided an update. There are many neighbor issues that Shareholders will need to compromise and work out amongst themselves. Shareholders are encouraged to familiarize themselves with the By-Laws, which are posted to our website, and to work with each other in resolving issues that are Shareholder responsibility. Regular maintenance is being conducted, along with various small repairs along the delivery system.

**Shareholder questions:** The floor was opened to shareholders questions and/or comments. As this is a closed meeting due to the current circumstances, no Shareholders were present.

**Other Business:**

The floor was opened to other business, and no other business was brought before the Board.

**Adjournment:** With no other business to consider, the meeting was adjourned at 7:30 p.m., via a motion by Board Director Ackley, seconded by Board Director Thompson, and a unanimous vote in favor.

Respectfully submitted,

Annette Ortega  
Secretary/Treasurer
